PATENT

REMARKS

This is a supplemental response to the response filed on January 22, 2007 to the non-final rejection dated August 23, 2006. No additional fee is believed to be required. Applicants wish to thank the Examiner for calling the undersigned regarding the errors in the paragraph numbering in the amendments submitted with the January 22 reply. Applicants request entry of this amendment.

The amendments submitted with the January 22 response called for the deletion of paragraph 0010 and the amendment of paragraph 0011. Applicants submit that the response should have called for the deletion of paragraph 0037 and amendment of paragraph 0038 as provided herein. Accordingly, paragraph 0010 should not be deleted and paragraph 0011 should not be amended. It is noted that the changes to paragraphs 0037 and 0038 do not introduce new matter.

If further clarification is needed, the Examiner is invited to contact the undersigned at 215-564-8369.

Respectfully Submitted,

Date: March 21, 2007
